

Bashaw Man Has Eye Injured in Accident Saturday

Herbert Gibbons of Bashaw received serious eye injuries when the car which he was driving was sideswiped by the box of a truck six miles north of Lacombe early Saturday morning. Gibbons, who was driving south in a 1937 Ford coach, received shattered glass in his eye and mouth when the left side of his car was hit by the truck box and the window beside him shattered.

Willard Hoppus of Lacombe, driving the truck, was unaware of the accident until informed by Constable C. Mosier of the local police force. Phil Jones, James E. Jackshaw and Glen Hopkins, fellow passengers in the truck, stated they neither heard nor felt the impact. John F. Shipley of Bashaw was the other occupant of the car driven by Gibbons.

The injured man was immediately rushed to the local hospital, where he received medical attention from Dr. F. J. Stewart, who dispatched Gibbons to Calgary Saturday for further attention from an eye specialist. Gibbons had not regained his sight up to the time he left Lacombe Saturday.

M.D. Crown to Cancel Bounty on Coyotes

The council of the Municipal District of Crown met in the Municipal Office on Monday, Mar. 14, with a full attendance.

O. W. Huettelmeier was elected reeve for the year 1938, and George W. Hand was elected as deputy reeve.

Appointments were made as follows: E. W. Simpson, secretary-treasurer; Jesse Frazer, auditor; and J. S. McCormick, solicitor. William Parker was re-appointed as a member of the Board of the Red Deer Full Time Health Unit. The members of the Lacombe and District Community Hospital Board remain unchanged. Wm. Parker and Albert Huettelmeier, members representing the Municipal District.

Committees for the following year were chosen as follows:

Public Works—The entire council, with the reeve as chairman.

Relief—All the council, with Wm. Parker as chairman.

Property—Huettelmeier, Parker and Ross.

Finance—Huettelmeier and Ross.

It was decided to hold the regular council meetings on the second Thursday of each month.

A motion "that the bounty on coyotes be cancelled, to take effect March 31," was passed, with Councilors Hand and Hall dissenting.

A grant of \$100 was passed for the Salvation Army and \$25 for the Canadian Institute of the Blind.

Miss E. Sage Tells Of Seven-Mile Trip Made on Horse-back

Miss Elizabeth Sage, local born girl who has been nursing in the Blueberry Mountain district of Northern Alberta, writes of one of her experiences while "on duty" in the north. Called out of bed at 1 o'clock in the morning to attend a sick baby seven miles away, Miss Sage tells of a trip made on horse-back over roads, half of which "look more like rivers than roads."

Her ride is best described in her own words: "At four o'clock it was still dark. I could see nothing, and the horse plodded on with little or no consideration for his rider—through water, around trees and over fields. This country is covered with trails, and I'm completely lost half the time."

"At three miles I decided the horse and I didn't travel to the same tune, and at seven, I was sure of it."

Sanitary inspections, vaccinations and inoculations carried on at various posts and villages miles from Blueberry Mountain itself occupy most of the time of Miss Sage.

This Week's Thought

The highest reward for man's toil is not what he gets for it; but what he becomes by it.

SNAPSHOT VIEWS OF THE LACOMBE FARMERS' HORSE SALE

Some of the horses arriving.

First horse sold.

The fair sex was there.

Anticipating the price.

Ready for auction.

Strolling through the grounds around the Pavilion Tuesday, the Western Globe cameraman picked up a snap of a truckload of horses just in from Coronation. Six Clyde geldings made up the shipment of Henry Heidecker, and seen in the left-hand picture above. Next in line is the first horse sold, entered by H. A. Day, and led by Leonard Hale, one of Mr. Day's men. Among the first to arrive at the sale Tuesday morning were Mrs. George Butcher, Mrs. Ray Hutton and Gwen Hutton of Bentley, shown snapped in front of the Pavilion. Two horses entered by W. A. McDermid of Clive and led by M. Hudkins of Chigwell are shown in the next picture. These horses brought \$180 and \$157.50, respectively, to the owner. The snap on the extreme right shows the horses starting to line up for sale early the first morning.

684 Horses Sold for Average Price of \$84.13; Total Receipts \$57,546

W. C. Fleshman Receives \$430 for Percheron Team

The Lacombe Farmers' Horse Sale ended up Wednesday night with 684 horses auctioned off at an average price of \$84.13. Gross receipts totalled \$57,546. The first day proved to be the better day of the two, with 332 horses sold for an average price of \$86.31, while Wednesday's average figured out to \$82.07 on the 352 horses sold. The highest price on a single unregistered mare was \$230 paid for a black Percheron entered by W. C. Fleshman of Lacombe and bought by G. W. Atkinson of Barrie, Ont. Mr. Fleshman also took top prize with \$130 for a team of black Percherons. The second top single horse price on unregistered stock was brought by a big Clyde gelding contributed by the Dominion Experimental Station, Lacombe, which sold for \$212.50.

Team of dapple grey Percheron geldings, entered by N. S. Charlton of Carstairs, brought the second high for a team with \$88. Top price on a single horse for the entire sale was paid for the Percheron stallion, "Dominator," entered by N. S. Charlton and purchased by M. A. Crown of Tees for \$440. Running this close second was the \$420 for the big stallion contributed by E. Campbell of Stettler and bought by Mackenzie Bros. of Lacombe. A registered Percheron filly, entered by N. S. Charlton, was bought by M. A. Crown of Tees for \$260.

Buyers From All Points in Canada and the northwestern States were present at the annual sale, and were unanimous in stating that the sale was "a great success." Stewart Bros., Montreal, were the largest single buyers, purchasing 41. G. W. Atkinson of Barrie, Ont., bought 33; E. Atkinson, Vancouver, 28; R. M. Lang, 26; D. Bullie, Montreal, 19; and N. Baerman of the same city, 18. In addition to the horses sold in the auction ring, a large number were sold privately, bringing the total number sold well over 600.

The sale started each day shortly after 9 o'clock and selling was steady throughout both days. Four auctioneers, acting at the sale, with C. E. Damron bearing the brunt of the burden. J. W. Durno of Calgary and Geo. Ball of Edmonton relieved him while Archie Boyce of Carstairs sold for a short time Wednesday afternoon. Jesse Fraser, D. F. Chigwell, W. R. Burris and Jack Clarke acted as clerks of the sale.

Weddings
The home of Mr. and Mrs. Leroy Webster provided the scene for a simple but pretty wedding on Saturday, March 12, at 2:30 p.m., when their second daughter, Myrtle Eleanor, became the bride of Mr. George Sales of Beaver Crossing. Rev. J. S. Waterman of the Baptist Church performed the ceremony in the presence of the immediate relatives. The bride wore a rust colored crepe frock and was accompanied by her sister, Miss Bernice Webster, who was dressed in a maize crepe gown. Mr. Ernest Webster attended the ceremony.

Following the ceremony a delicious wedding lunch was served and the young couple left by bus for Edmonton and other places north for a short wedding trip, after which they will take up their residence on the groom's farm, located about six miles south of Cold Lake, Alta.

Out of town guests included Mrs. R. Holmes and Miss Doris Holmes of Ponoka.

Opinions Gleaned At the Horse Sale

Basil Weatherill, Tees—The well-fitted horses are selling at a good high price—too high for us farmers who wish to pick up some good work horses.

C. F. Damron—There never was another sale with 684 horses sold in two days, selling and the buyers staying until the last horse was sold. It was the biggest and best sale we ever held.

F. H. Reed, Superintendent, Experiment Station—It is a decided success and an exceptionally good sale; over 1200 people have been here each day.

K. Shore, buyer, of Winnipeg—There's a good bunch of well-fitted horses—so good I came up here to buy one, carload, and bought two.

P. J. Sissons, Clive—There's a lot of poor horses entered, but a bunch of good ones, too. They seem to be bringing all they're worth.

Stewart Bros., Montreal—Too many common geldings in the sale and the quality of finishing is not up to that of last year. Prices are very good.

J. H. Fife, Chigwell—The prices this year are very close to those of last year on the good and well fitted horses.

J. Cram—The prices are reasonable and fair, both to contributor and buyer.

Sam Henderson—One of the best sales that was ever held in Canada, and one of these days I hope to see a bull sale here to equal it in size.

George Ball, Edmonton—I'm handling these sales every day and I believe the prices are slightly above the average.

Jesse Fraser, Secretary of Sale—It is gratifying to see the sale such a success; no serious hitches occurred at any time and everything went along smoothly.

Alex Watson, buyer, Winnipeg—The quality is not quite up to last year's standard. Good prices, though, considering the class of horses.

W. G. Smith, buyer, Edmonton—You can say, for me, the sale was a rip-roster. Every farmer should be tickled pink at the prices paid. The buyers are also very pleased with the courteous treatment they have received.

Two Guest Speakers At W.M.S. Meeting

Mrs. R. B. Layton of Medicine Hat and Mrs. H. M. Jones were guest speakers at the regular meeting of the W.M.S., held at the home of Mrs. E. L. Misenor on Tuesday.

An interesting letter was read from Mrs. Hugh Reed, who has removed to Bay View, Cadboro Bay, Sanibel, B.C. Mrs. W. C. Sweet presented some new ideas from the Branch Conference, concerning programs for Mission Bands and methods of teaching. A splendid report of the Presbyterian meeting recently held in Wetaskiwin was given by Mrs. U. E. Reeder.

The supply allocation "W" was accepted as follows: Four pairs of mitts; 4 mufflers; 4 Christmas gifts suitable for girls 14 years of age; 1 or 2 lapel ties; Mission Band scrap books and toys—used clothing and good literature—these supplies to be sent to Redway Centre, Alta.

The devotional period was conducted by Mrs. P. MacDonald.

Pavilion Packed as Horse Sale Attracts Large Crowds

With Clarence Damron on the platform and a "welcome everybody" ringing through the Pavilion, the fourteenth annual Horse Sale got under way Tuesday morning at 9:10, 50 minutes before the advertised opening time, but then Clarence said "there's a lot of horses in sell, folks," and he really meant it.

The first horse to go over the \$100 mark was a dapple grey entered by H. A. Day . . . it was the fourth horse in the ring and went to Stewart Bros., Montreal, for \$125. . . J. A. Fife of Chigwell entered some nice horses early in the day which brought brisk bidding, too. . . Highest price of the first morning was paid on a good bay entered by E. L. Seeger of Clive . . . brought \$160 and was bought by G. W. Atkinson of Barrie, Ont. . . J. W. Durno took over the selling at the 100 entry mark . . . first horse he sold belonged to F. G. Langrock and brought \$127.50.

The pavilion was crowded the opening day . . . parking space for cars in front was at a premium . . . one of W. A. McDermid's horses cleared the ring pretty well as it started plunging and "but the buyers can take it, and came back for more . . . it almost broke Clarence Damron's heart to part with a fine mare belonging to P. M. Sawyer for only \$37.50 . . . "just giving it away, fellows," he shouted.

Fifteen minutes for lunch at 12:30 and they were at it again . . . 120 horses sold before they stopped in the morning, which is fast selling.

A big black mare entered in the sale by W. C. Fleshman brought the highest price of the afternoon session with a sale tag of \$230. . . G. W. Atkinson was the buyer . . . and the entries continued to come in as late as Wednesday night.

The grounds around the bars behind the pavilion were a picture . . . a picture of mud, go and horses . . . bidding slowed down a little during the mid-afternoon Tuesday session . . . a horse entered by E. L. Reynolds garnered only \$26 . . . the best price received during the first day selling.

The auctioneers signed off slightly after 6 o'clock Tuesday . . . with 332 horses sold for an average price of \$86.31.

Wednesday the sale opened with more horses, more people and more mud . . . starting a little after 9 a.m., the first horse of the day brought \$150 . . . contributed by W. B. Pethybridge. The auctioneers had the horses rolling through the ring steadily all morning . . . had half an hour off for lunch at 12:30 and were away again.

A lot of green-horne and unfinished horses early in the afternoon lowered the average considerably . . . over 20 of them sold for between \$45 to \$45 . . . bidding became spasmodic, and the auctioneers had tough going for a while. . . Archie Boyce, auctioneer from Carstairs, sold for a short time during the afternoon . . . The team of Percherons entered by N. S. Charlton of Carstairs brought the highest price from the banked stands . . . they finally sold for \$300, with bidding starting at \$510.

The bidding continued until long after sun down . . . buyers perked up a little toward the end of the sale, and good prices were realized. . . It was after 8 o'clock before the last horse was sold . . . contributed by Charles Grant of Erskine, the entry sold for \$45 . . . and another Horse Sale was over.

That's all, folks.

Hector Edginton Injured in Accident

Hector Edginton, ten-year-old son of Mr. and Mrs. G. J. Edginton, met with a serious accident last Saturday, when in playing with a sling shot, the elastic broke and flew back into his left eye. He was rushed to the hospital, where he is now in the Royal Alexandra Hospital, and great fears are expressed that he may lose the sight of one eye; if not both. It shows the danger of this pastime, and should act as a warning to boys, among whom this sport is prevalent.

SALE GOES GOOD
Auctioneer Roy Hoppus reports a very successful sale last week for C. H. Taylor. Top prices of \$51 for milk cows and \$142 for horses were realized. These prices should be encouraging for those anticipating a sale this spring.

BUYS FARM
J. K. Lawrence, from the Peace River district, moved in last week to the old Whitehall farm, one mile west and four miles north of town, which he recently purchased from A. M. Campbell.

E. P. Holgate, Ex-R.C.M.P. Officer New Police Chief

F. P. Holgate, who has served 23 years' active service with the R.C.M.P., was appointed Chief of Police for the Town of Lacombe at the regular council meeting held Tuesday night. Mr. Holgate comes well recommended, and has spent many years of his career at Coult, where he was engaged in border patrol duty. His duties are to start April 1.

A by-law of amendment stating "that no further gasoline or other pumps shall be erected or installed upon any street, lane or public place within the Town of Lacombe, was given three readings and passed.

A report of the Public Library operated by the L.O.D.E. was received by the council. A total of 10,666 books were loaned during the year 1937, the report read, and during that year 62 non-fiction books, 208 fiction and 35 juvenile books were added to the shelves. This brings the total number of books in the library up to 24,000. A special report for the month of January, reporting that 1057 books were loaned during that month, was also enclosed.

The application of Lloyd Frizell to purchase Lot 7, Block 26, Plan 1 E, was accepted by the council, on the condition that a house "be placed thereon."

Mirror Resident Killed In Train Accident

(From Our Own Correspondent)

MIRROR.—J. W. Newman, C.N.R. brakeman, was instantly killed while on duty Wednesday morning of last week on a trip to Northwold. He is believed to have slipped on the ice, and was crushed between two box cars. The body was shipped to Mirror, where funeral rites were held Saturday afternoon from the United Church, with Rev. J. D. Wollast officiating.

The deceased is survived by his widow and three children. Daughter of the Canadian navy; Peggy and Norman, at home. Pallbearers at the funeral services were: W. Roy, L. McKinley, B. Estell, G. Burt, C. B. Davies and H. Ray. Interment was made at the Mirror cemetery.

Car License Plates To Be Issued Here Starting March 28

License plates for the 1938-1939 license plate year will be first available in Lacombe on Monday, March 28, according to information received from J. Russell, local license plate issuer for the Provincial Government. The license plates will be white with a white background, will be issued for the same length of time as those issued last year, namely, from April 1, 1938, to March 31, 1939.

License fees are the same as last year, with the exception that special rates are specified for automobiles with a wheelbase of 125 inches, and exceeding 125 inches. Last year rates were specified, with cars up to 126 inches only. Car owners are asked to note that 1929 autos are not eligible for old car fees. Only cars of 1938 or previous year models are eligible for this special rate.

Driveway to Hospital To Be Gravelled

The Western Globe reporter acted as chairman for a period of 15 seconds at a meeting of the Lacombe and District Community Hospital held Monday night. Acting independently in this capacity, he received a motion appointing O. W. Huettelmeier as chairman of the Hospital Board for the year 1938. The motion duly signed, his nature of office ended.

Considerable discussion took place on the subject of graveling the driveway to the hospital. It was decided to have the mudhole in front of the building filled in with gravel and a temporary wooden walk built directly up to the front door. Later on in the same session, a plan in front of the building will be indented.

It was reported by the Acting Secretary, Miss Opal Danner, that seventeen operations had been performed in the institution during the month of February, as compared with nineteen in the month of January.

CARLOAD OF STEERS

Shipped to St. Paul
MacKenzie Bros. shipped a carload of 17 steers, gathered from the Rocky Mountain House region, to St. Paul early this week. The steers averaged 1600 pounds, three of them averaging 1900 pounds in weight.

WESTLING. — Mr. and Mrs. Axel Westling entertained their friends and relatives at a bridge party in their home last Thursday evening.

A large number of horses from this district were taken to the Lacombe Horse Sale. Many persons from this district also attended the event.

A dance will be held in the Westling Hall on Friday night, March 18.

ning in the Oddfellows' Hall in Clive on March 23.
The English Church will hold a turkey supper and social evening. The bakers are busy in the district, baking straw for the dried-out area.

Walter King and W. Scharnweber spent a few days last week in Edmonton.

There was a poor attendance at the card party on Saturday night. Honors went to Mrs. Geo. Monson and Arch Billingshurst, and consolation prizes to Mrs. A. Strandberg and Leslie Westling. Mr. and Mrs. Russell May have returned home from Edmonton.

Guest of Honor

MISS FLORENCE HALL, whose marriage to Wesley Fair of the Woody Nook district takes place next Monday.

Shower Held In Honor of Miss Florence Hall

Mrs. R. L. Ramsay and Mrs. John Macdonald were joint hostesses at a miscellaneous shower held at the former's home on Monday, March 14, for Miss Florence Hall, eldest daughter of Mr. and Mrs. R. Hall. Miss Hall, whose marriage to Mr. Wesley Fair of the Woody Nook district, takes place on Monday, March 21, is one of Lacombe's daughters, having been born and reared here. As a young girl she sang in St. Andrew's Junior Choir, later graduating to the Senior Choir, of which she has been a member for several years. A few years ago, in a Provincial Junior Contest, she won a first prize of \$100 for her vocal soprano solo. For the past 2½ years she has been teaching the Woody Nook school and previous to that had taught school near Blackfalds.

Mrs. Ramsay's decorations followed St. Patrick's day theme and the basket containing the gifts was prettily trimmed with shamrocks. The Misses Margaret Watt and Frances Hall presented the basket to Miss Hall.

Guests enjoyed a social afternoon, community singing and two delightful solos sung by Miss Irene Carr.

Miss Hall very graciously thanked her hostesses and the friends for their kindness to her.

One of the surprises of the year came last week when Max Baer, one-time heavyweight champ, knocked Tommy Farr all over the ring for a 15-round decision. Farr's build-up from his fight with Joe Louis evidently was one big flop, as he took it from every angle from Baer. Maybe Baer has improved, but his boxing ability will have to be much better than when he was up on top of the fistie world a few years back. He was no doubt one of the weakest heavyweights ever to hold the crown.

SOME STANLEY CUP FACTS
In the league's past 12 years of play the following teams have won the coveted cup (if you've had any arguments over winners of the past here's your chance to settle them):

1925-26 Montreal Maroons.
1926-27 Ottawa Senators.
1927-28 New York Rangers.
1928-29 Boston Bruins.
1929-30 Montreal Canadiens.
1930-31 Montreal Canadiens.
1931-32 Toronto Maple Leafs.
1932-33 New York Rangers.
1933-34 Chicago Black Hawks.
1934-35 Montreal Maroons.
1935-36 Detroit Red Wings.
1936-37 Detroit Red Wings.

The Toronto Maple Leaf Stanley Cup winning team of 1931-32 included in its line-up Freddie Robertson, King Clancy, Andy Blair, Red Horner, Lorne Chabot, Alex Levisky, Joe Primeau, Harvey Jackson, Harold Darragh, Harold Cotton, Charlie Conacher, Frank Finnegan, Happy Day, Ace Bailey and Bob Gracie. Of this select only two players are still in action with this year's edition of the club—Red Horner and Harvey Jackson. Since that time Connie Smythe has almost completely re-arranged his Leafs.

Four of the players are now playing with other teams in the N.H.L. Blair and Levisky are with Chicago, Day with Akerks and Bob Gracie with Maroons. Most of the remaining players of the 1931-32 squad have retired from active hockey.

"Did you give your wife that little lecture on economy you talked about?"
"Yes."
"Any results?"
"Yes—I've got to give up smoking."

LIGHTENING THE BURDEN

An Irishman carrying a large sack of potatoes along a lonely road was overtaken by a man driving a horse and cart.

The driver offered Pat a lift, which he gladly accepted, but still kept the sack of potatoes on his back. The driver told him to put them down in the cart.

"Sure," Pat replied, "I'm thankful for the lift ye give me, but I don't want ye to be burdened with the taters as well."

Local Resident Saw Aftermath of Great California Rains

Councillor T. H. Newman, who returned over the week-end from a six weeks' trip spent in the west coast States, and Mexico, witnessed at first hand the effects of the tremendous storm which swept over southern California last week. "Seventeen miles of railroad was swept out between Merced, California, and the Yosemite Valley," Mr. Newman declared, "and we were forced to follow a pilot car into the valley, because half the road had been washed away."

Great elms were uprooted, the sidewalks warped and twisted, and porches blown down from houses in the tremendous gale which hit Sacramento. Mr. Newman stated, "Rain came down so quickly at one point along the coast that the windshield wiper couldn't even begin to provide vision for the driver," he said.

During his trip, Mr. Newman visited Death Valley, from which point, he stated, one can look straight down into a vast valley 6000 feet, and by raising the eyes, gaze upon Mount Whitney, soaring 14,000 feet above sea level. "The sight is amazing in itself," he said, "and almost terrifying in its intensity of contrasts."

PUREBRED LIVESTOCK

During 1937, the number of pure bred livestock registered with the Canadian National Live Stock Records, approved by the Dominion Minister of Agriculture, was 79,303. Of that number, 4,259 were horses; 37,860 cattle, 14,329 sheep; 6,720 swine; 6,672 foxes; 7,733 goats; 1,659 poultry, and 104 goats.

Bentley

(From Our Own Correspondent)

BENTLEY.—The ladies of the Bentley Hospital Auxiliary held a silver tea and parcel sale at the home of Mrs. Vandernoort on Friday of last week. Mrs. W. Waldron held the lucky ticket for the satin cushion given away by the ladies.

next Sunday, the subject of the Lesson-Service will be "Matter."

The following is one of the Scriptural quotations contained in the Lesson-Service: "But the Lord is the true God, he is the living God, and an everlasting King."

(Jeremiah 10:10). One of the correlative passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, is as follows (page 278):

"We define matter as error, because it is the opposite of life, substance, and intelligence. Matter, with its mortality, cannot be substantial and eternal."

SUNNY CREST.—On Sunday last, the church service was in charge of Mr. Mattie. Mr. Schmidt is leaving shortly for a point near Edmonton and Mr. Mattie is to be married and expects to go to the Peace River district. Mr. Jamieson continues his schooling at the Northern Bible College.

The young men and Miss Phyllis Kamah were entertained to dinner by Mr. and Mrs. H. Woods.

A large number from our district attended the Lacombe Horse Sale this week.

Alfred Hunt has gone to Montreal with a shipment of horses.

A combined birthday party was enjoyed last Saturday by the Sunbeams, when Mrs. Dole entertained at her home in honor of three of the members of her class — Laurine Powers, Elaine Miller and Fay Saunders. Seventeen sat down to the birthday table, which was centered with a three-tiered birthday cake. At the conclusion of the meal each guest of honor was presented with a cup and saucer. During the afternoon, plans were completed for a Mother and Father Banquet, to be held next Friday evening at 7:30 o'clock in the dining hall at McLaurin Beach.

Blackfalds

(From Our Own Correspondent)

BLACKFALDS.—Mr. Martin was on the sick list most of last week and confined to his bed. During his indisposition, he received a shipment of seven new Hart-Parr tractors, which were unloaded by Messrs. Goodwin, Wadley and A. Parker, and have attracted considerable attention outside the store in their bright shining green and red paint. Mr. Parker has purchased a 32-50 tractor with rubber tires, lights, self-starter, etc, this being the third Hart-Parr he has bought from Mr. Martin.

The boys around the stock yard are still chuckling over the last hog day. It seems that Mr. A., farming east of town, brought the wrong pig to market—one that is expected to litter shortly. Another farmer, who needed an extra litter of pigs, bought her, and later Mr. X came in with his only other pig, saying: "Now, boys, I think I have the right pig this time."

Mr. Hale was in Lacombe last Friday night to give the Men's Club there a talk on India.

The chicken pox has not yet left us, and there are still one or two cases of children having to be away from school because of it.

Little Marjorie McLennan gave a birthday party to some of her friends last Saturday, at the home of Grandma Bills.

Crusaders Held Meeting
Last Wednesday, the Crusaders met at the home of Mrs. Capron to celebrate her birthday. Rev. A. J. Carr also attended the meeting and has induced the girls to put on a service of their own next month. They have agreed to do so, and we hope the parents will give them every support in their efforts.

H. McLennan was on the sick list during the past week and had to absent himself from his usual cattle duties.

Thanks to the recent mild weather, our snow has largely gone, and last week Mrs. Landry found her first dandelion.

We are informed that Mr. Duck is again seriously ill in Red Deer.

From an authentic source it has been discovered that Mr. Fay, who was reported in last week's Globe as falling out of being before his death, was not correct, and we therefore make the correction.

Spring Valley

(From Our Own Correspondent)

SPRING VALLEY.—The annual congregational meeting of the Spring Valley United Church was held last Sunday at the close of services. John Waterman was re-elected superintendent of the Sunday School and Guy Randall and Robert Hainsworth were re-elected as stewards.

Sam Forrest went to the hospital on Wednesday of this week for an operation. Mr. Hudd, after having had a severe attack of flu last week-end and the doctor being called, is able to be up and about the house this week. Mrs. Hudd's sister was taken to the hospital last week with a severe attack of flu and Billy Waterman was home last week with the mumps.

We have some new neighbors, Mr. Trace of Bentley, who has moved into the Harrison house. Mr. and Mrs. Good and family visited at the home of Mr. and Mrs. H. O. Sims on Sunday.

Prosperity is not just around the corner any more. It is here. If you don't believe it, drive up Gull Street and give that new V-8 of Percy's a once over.

Sam Forrest's nephew from Coramotion came up last week to get some horses which had been attacked around Lacombe. He reported that when he left, the ground was completely covered with snow. Let us hope that this moisture will be a good starter for a good crop this year.

New Coaches to be Installed on Local C. P. R. Trains

New light-weight semi-streamlined coaches are to grace the C.P.R. trains passing through Lacombe at 1 o'clock (northbound) and at 3 o'clock (southbound), according to G. T. Jackson, C.P.R. ticket agent here. These coaches are similar in design to coaches in service on the "Chinook," with only a few minor and more up-to-date innovations. They will be put into service shortly.

The air conditioning system in these coaches is of the usual type along the center of the ceiling, but on the under side there is a series of blue colored lights designed for night lighting. The seats have a concave back, with individual hand-lever control situated under the arm rest for a reclining position, and are completely reversible, controlled by foot levers under the seats.

These new coaches are ten feet longer than those in service on the "Chinook."

Each Needs What Other Produces

NO TWO REGIONS on earth have more in common than the Western and Eastern parts of Canada. Each needs what the other produces. The East needs wheat, and next to Great Britain it is among the outstanding buyers of prairie wheat. The East needs cattle—and bought last year from the West a quarter of a million head. The East needs butter, so it buys between 20 and 25 million pounds each year. Sheep, lambs, hogs, calves—the industrial East buys them by the trainload. To an extent not generally realized, the part of Canada that lies east of the Great Lakes provides the prairies with a tremendous market.

THE 2,800,000 PEOPLE of the three prairie provinces also need many things that are produced in the Maritime, Quebec and Ontario. For instance, Dominion Textile Company's 7,000 workers, who live in six Quebec towns, make bed sheets, material for dresses, underwear, and shirts and scores of other necessary and useful textile goods. They sell these products all over Canada—including the West. In return, they buy from all over Canada—including the West.

Massey-Harris Official Strikes Optimistic Note

By use of tractor-drawn equipment, including an 8-4-4 Tractor-driven Combine, the actual operating cost, not including cost of machine, depreciation, or interest on investment, of producing 2000 bushels of wheat on a 100-acre farm, including all operations from plowing to threshing, has been reduced from 14 1/2 cents per bushel to 3 1/2 cents per bushel, a saving of 11 cents or 62 per cent, according to the remarks of James S. Duncan, Vice-President and General Manager of Massey-Harris Co. Ltd. in his recent annual review, appearing in "Canadian Farm Implements". While declining to forecast probable conditions in 1938, Mr. Duncan outlined three principal factors which he believes will govern Canada's prosperity during the ensuing years. These are:

- (1) Marketability of our products abroad.
 - (2) Price at which these will be sold.
 - (3) Drought situation in the Prairie Provinces.
- In each instance, Mr. Duncan suggests that conditions are more favorable. Exportable wheat surpluses are low; demand for Canadian cattle in the United States should continue strong if conditions remain reasonably normal. Prices generally may be somewhat below 1937's peak levels but they should prove remunerative. Subsoil moisture conditions in the drought areas approaches normal and the chances of reaping a harvest in these sections of the Prairies this year are better than they have been for some time.

Tees Tattle Tales

By TATTLER

TEES—E. R. Fry, local postmaster, and Mrs. Fry, departed for Princeville and Toronto, Ont., respectively, for an extended vacation visiting relatives and friends and to enjoy a good old Ontario spring.

Last Friday night the local ladies sprung a what and bridge party in the Community Hall, followed by a few dances to liberate the young people and those who are just over the mumps. The what prizes went to the following Ladies' first, Mrs. J. Ballard; second, Mrs. B. Moore; Gent's first, Lewis L. Moore; second, Don McDonald. The bridge prizes went to the following: very few bridge artists among the ladies others filled in: Ladies' first, Mrs. Nellie; second, Mrs. F. K. Clarke; a very nice time for all. Alex Sim and Pete Montgomery are still laid up with the mumps, due partly to too much exercise and anxiety to be out and doing.

Mr. and Mrs. T. Gohert spent the week-end in Edmonton, leaving here on Friday morning; Andy Popovich relieved Mr. Gohert.

Mrs. Gerald Fry and son Ronnie spent the week-end with friends at Alix, leaving Gerald to do his own cooking.

Celebrates 15th Birthday
Celebrating Stan Ferguson's 15th birthday, a party of young people of the Nebraska and Tees districts gathered at the home of Mr. Ferguson to do Stanley justice.

Bob Hoffman traded off his truck to Mr. Webb of Calgary for a new one, a Chevrolet coach of other years. Mr. Webb is looking for a place to rent and expects to settle somewhere in the district.

Mr. and Mrs. Norton of Benalto visited at the home of Mr. and Mrs. Holsworth over the week-end.

Mr. and Mrs. Ken McDougall and daughter Jean spent a few days in Calgary on business last week.

The Light Question
Quite a controversy was raised in this one-horse town with its two drivers over the electric light situation. Two lights are to be taken out and there are at present five lights. This will leave three. There are three streets, two residential and a business street. The Main Street, going south, "Leave the present three on it and cut out the back street lights. In other words, the Main Street gang wants to advance just how far down the town really is—if they only knew it, the main street looks much better in the dark. But they can't see it that way. Of course they forget that when the next tax assessment comes out that they will be penalized for their insistence whereas now they enjoy the same rates as the back streets, but when the back streets are lightless the value will have gone down quite a bit from its present level, and the main street with its three lights will or should go rocketing. If reports are true, the new councillor, when he takes office, is going to have them all out anyway—so why argue any more.

John Beattie's sale Monday drew a large number of people from the surrounding district. John, through ill health, has been forced to give up active farming and is moving to a little better climate in British Columbia. The Nebraska district will lose an

OIL INDUSTRY PAYS ITS SHARE OF NATION'S COSTS

Unkind things are apt to be said in these days of stress about industry but industry at the same time can help the public to understand its own troubles.

It might not be amiss, for example, to draw attention to the fact the oil industry, in good times and bad, has not only met every public obligation without asking for financial aid from the taxpayer. On the other hand it is contributing to the support of government in the form of taxes upon its properties, products and operations at the staggering rate of \$1,181,000,000 per annum in the United States alone.

This tax bill is but slightly less than the \$1,373,000,000 which the industry pays to labor and four times the amount paid to the large number of persons who furnish the required capital.

Apart from this, if the oil industry's achievements were to be measured in terms of public service, there would be big credits under such items as quality of product, wages and working conditions of employees, and during the past year an approach to a more reasonable return on invested capital, notwithstanding increasing costs of refining and producing petroleum from deeper levels, and increased cost of materials and supplies.

Debt Legislation Introduced By Provincial Government

By T. R. WINDROSS

EDMONTON.—Debt legislation introduced into the Alberta Legislature last week, as provided in two bills sponsored by Tattler Maynard, proved to be little more than extension of a moratorium through impeding any foreclosure action, but at the same time taking no action to reduce debts.

One of the bills provides that no foreclosure action against any farm home is to be entertained in a court at all; and that any foreclosure action against a home in a city, town or village may be proceeded with only when the applicant has posted \$2,000, which is to be turned over to the occupant of the home if the foreclosure is executed.

The other bill provides that debtors may apply to the debt adjustment board to have them brought under the wing of a new plan by which the debtor to deposit one-quarter of his income with the debt adjustment board for distribution among his creditors, and having done that, the debtor is free from other efforts to collect debts.

These two bills are regarded as companions to the bill, now before the House, which extends the moratorium for another year by statute.

Debt Not Reduced

There has been no legislation at all so far, however, to reduce debts, although some plan which would cut principal has been rumored for the past year. Although protected from any prosecution for debt, Alberta citizens continue to owe as much as ever, without help from the Legislature.

From the Liberal side of the House last week came a proposal that the Provincial Government set up a large number of debt adjustment boards—enough to cover all parts of the province—which would study the situation between each debtor and creditor and endeavor to reach an understanding between them for the reduction of debt. In cases where a satisfactory adjustment could not be agreed upon with the debt board itself, the board established under the Federal Farmers' Creditors' Arrangements Act would be asked to intercede and establish a settlement.

By such a system of debt adjustment boards, providing the personnel of the boards was of high calibre and undoubted integrity, a large proportion of Alberta citizens' debts could be scaled down within a few weeks, the Liberals declared. But the Provincial Government had plenty of sense at last.

Hansen Delivers First Speech
James Hansen, independent member of the House for Taber, who crossed the floor in 1936 and so became the first man to bolt the Social Credit party after the 1935 election, delivered during the week his first speech since he took his seat in the House. Although he attacked the Government and threatened to force a by-election in his constituency, he was a member or agent of the Government attempted to prevent him from doing and saying what his own conscience guided, the whole House, with the exception

active church worker in Mrs. Beattie and the young ones will lose one of their number when Ruth goes. Almost every night there is a send-off party for them.

They Were Not Interested
Louie the baler failed to make a hit with the girls. He spent half a night keeping the back street residents awake plowing up and down the road with his car, trying to coax some of the young ladies out to go to a dance but without avail. The girls have plenty of sense at times.

Percy Walter and Bernie Moore shipped a car of fat cattle last week.

A large number of horses from the district took part in the Lacombe Horse Sale.

Mrs. Perry (mother of R. E. Perry), who has been ailing for the past year, was taken to Edmonton by ambulance last week, where she will enjoy better care with modern conveniences handy.

Mrs. Seal, Mr. and Mrs. Walt Sim and Johnnie Clipse made business trips to Lacombe over the week-end.

The Nebraska United Church Sunday School organized on Sunday last for the 1938 season. They got away to a good start, with a large attendance. Miss Mullins is president and Miss Riva Ferguson secretary.

Rural Lakenan has recovered from his severe attack of the flu and is feeling quite chipper again.

of cabinet ministers, applauded him repeatedly.
It is not the fault of the "financial interests" but of the Alberta Government itself that farmers in Alberta are now lacking the short-term credit which many of them need to finance the year's crop, Mr. Hansen declared in a thoughtful, calm and dispassionate speech.

By its legislation, which has done no one any good, the Government has wrecked the credit of the people of Alberta and credit is not just something to talk about, but a very real asset which, when it exists, means dollars and cents in profit to those who have it, Mr. Hansen said. By ruining that credit, he declared, the Provincial Government has actually decreased purchasing power because it has become necessary for farmers to hoard their cash instead of being assured that they can get short-term credits, with additional purchasing power, when they need it.

Mr. Hansen sat down the Social Credit private members pounded their desks, and N. B. James, of Acanal, declared that although the Taber member had left the Social Credit party, he had the respect of every member of that side of the House.

The World of Wheat

By MAJOR H. L. STRANGE

The United States Government has decided to release 100 million dollars' worth of gold every three months from the vaults where it has been "sterilized," so as to permit the yellow metal to expand the credit base of the United States.

This is important news indeed, for it means that the vast hoard of gold which has been accumulating in the United States since 1933 will, at last, be permitted to flow into its own field in raising commodity prices.

As compared with 1913-14, the currencies of the United States, Canada and Great Britain have been inflated by 60 per cent, and since 1932 the world's production of gold has been about 40 per cent greater each year than previously.

These factors, separately and together, tend greatly to increase the price of all commodities, for gold and money are the yardsticks which measure price. It means, therefore, that as soon as the existing governmental restraints on the full use of gold and credit are removed, then all prices, and so the cost of living and production, will tend to rise by 60 per cent or more as compared with pre-war prices.

Commodity prices so far have only risen by 25 per cent, and the cost of living by 36 per cent, but world wheat at Liverpool, and Chicago wheat prices, are still markedly at pre-war levels.

Following factors have tended to raise price:

Russia buys Australian wheat; 1938 world winter wheat acreage less than a year ago; Argentine Government states 40 per cent of seeded corn acreage is total loss; South African Government authorized importation of wheat and flour; Mexico authorizes importation of corn free of all duty.

Following factors have tended to lower price:

Further beneficial rains are received in U.S. winter wheat belt; Argentine wheat production greater than last year; Bulgarian and Belgian wheat, rye and barley all greater than last year; Exports of new wheat from India will commence April 1st; Wheat prospects in Greece, the Balkans and Hungary mostly favorable.

Lincoln

(From Our Own Correspondent)

LINCOLN—Several farmers of this district sold horses at the Lacombe Horse Sale this week. We are sorry to hear that Mrs. St. John, a patient in the Bentley Hospital, died last night. Wedding bells will soon be ringing in this district if reports going around are true. The Junior U.F.A. is putting on a dance in the hall on Mar. 25.

Chilgwell

(From Our Own Correspondent)

CHILGWELL—Mr. and Mrs. Heron and son Bobby were Sunday visitors at the home of Mr. and Mrs. Arthur Willson.

Mr. and Mrs. Koehlin and family spent Sunday with Mr. and Mrs. Don Waldron in Lacombe. Arthur and Floyd Willson spent a couple of days in Calgary the end of last week.

Robert Evans was home from Clive over the week-end.

The dance and play last Thursday evening at the school was well attended and enjoyed by all.

Mr. and Mrs. Floyd Willson, Mr. and Mrs. A. E. Willson were guests of Mr. and Mrs. Warren Cochlin for bridge on Tuesday evening.

Quite a number of horses were sold from this district at the Lacombe Horse Sale.

Dr. Black has purchased two new tractors. Mr. Lemon and Victor Lockerby have also purchased new tractors for Spring work.

Mr. Hilsabeck from Clive has been a guest of Mrs. Reiter for the past week.

We are very glad to report that the wee Goddard boy is now home from the Lacombe Hospital, where he has been very ill for some months.

Spruceville

(From Our Own Correspondent)

SPRUCEVILLE—The regular monthly meeting of the U.F.W.A. will be held at the home of Mrs. John Hutchison, roll call to be covered by "Timely Spring Cleaning Hint." Mr. MacDonald of the Nurseries will address the ladies and will show, if possible, some interesting slides.

Spruceville had the honor of getting the highest prices for two horses sold the first day of the sale. Mr. Fleishman receiving \$430 for two young horses. All other Spruceville owners report good prices.

The U.F.A. "get-together" was great success last Friday night despite the bad roads. Cards and games took up the time until midnight, after which time was dancing.

Mrs. Jennie Gordon (nee Magilton) has been visiting with Mrs. Boulter and the Kasha family.

Miss Vera Kasha entertained the younger Barnes and Parkers to cards on Friday evening last.

The Busy Bees' regular meeting will be held Friday night at the home of Mr. A. West Burton, when the European situation will be discussed, led by Mrs. Boyd Crocker and H. E. Heath.
